

Power in

Common

Brand new power-announcements, networking, education, knowledge and influence!

Are you in control - be there - if you want to know!?
At IBM – in Copenhagen 27th and 28th October.

Smarter work?
Think outside the cube

POWER = EFFICIENCY - COST

IBM Power Systems

POWER = MANAGEABILITY + PERFORMANCE

No way to get around this...

- Sessions over 2 days by Craig Johnson, Allison Butterill and Erik Rex.
- Meeting central IBM'ers –both from America and Scandinavia.
- Nordic customer cases – with practical experiences.
- Meeting other customers and vendors in forums.
- Galla dinner with networking and knowledge-sharing.
